

Rough Notes from Ky Learning Depot Meeting
February 18th

Attending – Paula, Enid, Kathy, Vicki , Gary, Jana

Ideas for Today's Meeting

What about NROC Depot?

- Not all of us have content access
- Content is currently not broken down
- Object Level Access is needed

Adoption of the New Standards – how does that impact our work?

What about registrations and budgets?

Wonder about PD to reach 30,000 teachers in service regarding the new content

Can PD be done via KyLearning Depot?

How does Race to the Top Funds impact Ky Learning Depot?

- It could solve a lot of our financial issues

Owensboro will be developing content through ARRA

- eBartering is needed

What about people from LSAC Member...and let it work it out to the Superintendents

- We need to work with this group

School points of contacts are needed

Business Plans Updates with Sustainability

Marketing and Forming a Marketing Team

Partnership Building

Expanding Steering Team

Grants

Topics Discussion

Marketing Plan – approached students at Western Ky University (Image West)

- How do they charge
- Dovetailing with KyVL and KyLearningDepot
- The Pros (Public Relations Officers)
- We want to add a student from Image West to join our committee – actually want two of them

What other members do we need on the committee?

- Jana, Annette, Gary B. in Murray, Nancy C, Charlene, Vickie, Gary Freeland, Kathy Gunn, Linda Linville, Enid, Alan, Chris Powell, Reece Stagnolia
- What about Terry Boyles?
- We need to get geographic representation and the U of L and U of K
- Get Chris Powell to identify k12 representatives
- We need to report out to the president
- Ky Learning Depot was mentioned at CPE Steering Committee
- Vicki will get Superintend Support
- Make meeting virtual

Business Plan Revisions

- Sustainability issues
- KySTE...KyVL commercial..partner booth space
- Evangelist Vicki and Jana
- Get on the agenda KACTE (first Monday in May)

We need to establish a business team

- Is EPSB really a needed member of this group? YES

Event Imagining the Future of Learning

- Need some Louisville Assistants
- Betsy can do it...need to find two facilitators from CES

We need to identify who can do this –

Grants – feelers

Kentucky Virtual Library, KY Learning Depot and RUS Distance Learning & Telemedicine grant funds

- Much of us believe this is low hanging fruit and we need to run with this!
- Cathy is already affiliated

Improving Literacy in Schools – for Media Center
