Dear Mr. Embry:

Congratulations! Your proposal was reviewed and scored by the RFP evaluation team and it has been determined that you have met all the required criteria.

Please allow this correspondence to serve as notification that the Council on Postsecondary Education (CPE) is adding your name to a list of approved Hearing Officers. This list will be provided to all the Kentucky Colleges and Universities.

Hearing Officer services shall be provided only upon request from a college or university and through contracts entered into with the requesting institution. Therefore, should an issue arise and an institution need your services, the institution will contact you directly and will issue an official contract for award.

CPE and the Kentucky Institutions, thank you for your work and your interest in this RFP.

Regards,
